Bug Report 1

Field		Description
Bug 1	—	Brand filter not working properly
ID:		PUR-SEARCH-001
Security:		High
Steps:		Search → Apply Brand “LAKME”
Expected:		Only LAKME products
Actual:		Other brands also listed

Bug Report 2

Field		Description
Bug 2		Combined filters return wrong results
ID:		LAK-SEARCH-003
Security:		High
Steps:		Apply Brand + Price filter together
Expected:		Filtered accurate results

Actual: Extra irrelevant products appear

Bug Report 3

Field	Description
Bug 3	Clear Filters button not functional
ID:	LAK-SEARCH-004
Security:	Medium
Steps:	Apply filters → Click “Clear All”
Expected:	All filters reset → All products shown
Actual:	Filters remain active

6. Conclusion

Current pass rate = 60%, which is not acceptable for release.

Critical issues with brand filtering, combined filters, and reset functionality must be resolved.

Recommended: Run re-testing + regression after bug fixes.
